accepted that these two were a couple..?
Since when have I
Something strange has been going on.
I'm starting to think about some obvious things that I had forgotten somewhere along the way.
Especially when..
after I see them together
I FEEL AWFUL

This story takes place in the setting of
Puella Magi Madoka Magica: The Movie - Rebellion.
Please read on with this in mind.

Excuse me,
Sayaka-san?
After class,
would you please accompany me?
There is
something I'd like to discuss with you

And so...
things were going well for a while after his recital.
We had more time to spend together and he was very kind with me.
And then...
Um...
We spent the night together.
Kamijou-kun and I.

It's happening again. What is this?
Despite that,
I haven't been feeling well ever since it happened
I was incredibly happy.
Why am I...
there's nothing I'm able to do that meets Kamijou-kun's expectations.
Even when I go see him.
And now, he doesn't want to see me at all.
What should I do?
Hitomi.
feeling so gloomy?

You're just feeling lonely
I know you're not the one I should be discussing this with
I'm sorry!
Maybe you're thinking "Is Kyousuke only after my body?"
and that's making you sad
It feels like I'm in a fog
A certain coldness is flowing through me
Before you started dating, before you both went off into your own little world
did you ever feel this isolation?
.....
It's incredibly dark
because you believe that you two are the only people in the world
Those feelings happen
touch

go away.
I'll make that loneliness of yours
Something foul...
unbutton
you're so cute.
Pay more attention to your surroundings
You'll forget those feelings.
Plus, come on, Hitomi...
You can do everything.
You're not like me.

Ahh...
slurp
squeeze
Hmm?
...
Ahh...
You moan like that when you're in front of Kyousuke, too

Please stop it.
Oh yeah
You should show me
Grab
what exactly Kyousuke does to you
You might not get as much satisfaction with me since I'm not a guy, but there's nothing that'll be going inside you so your health shouldn't matter
Ah
Ahhh...
Well, how about it?
Kyousuke

...
Haa
Ahh
Haa
Did Kyousuke do this too?
how do you do it with her?
Mmm
Sayaka-san...
Ahh
Ahhnn!
We.. can't..!
Haa

How's this?
Don't...!
Ahh
Haa
Haa

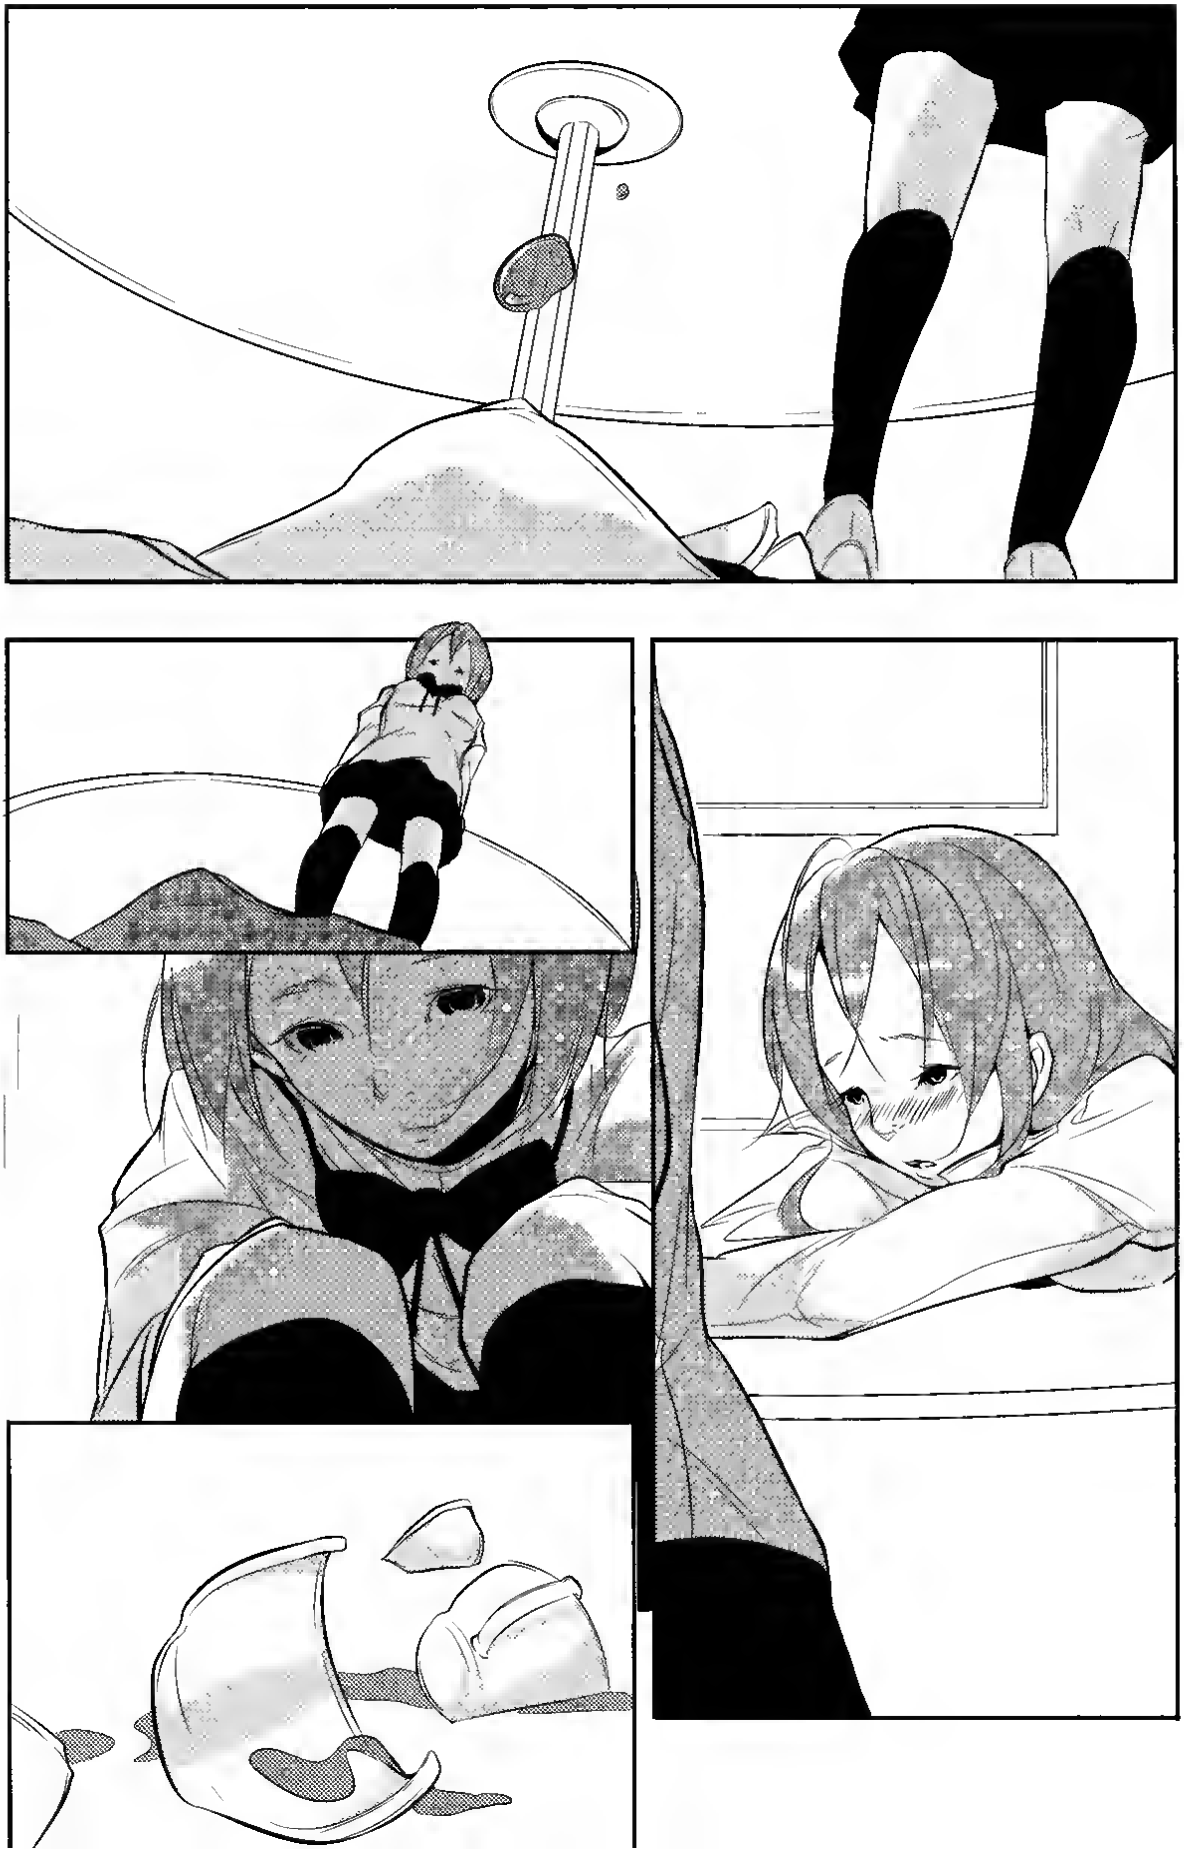
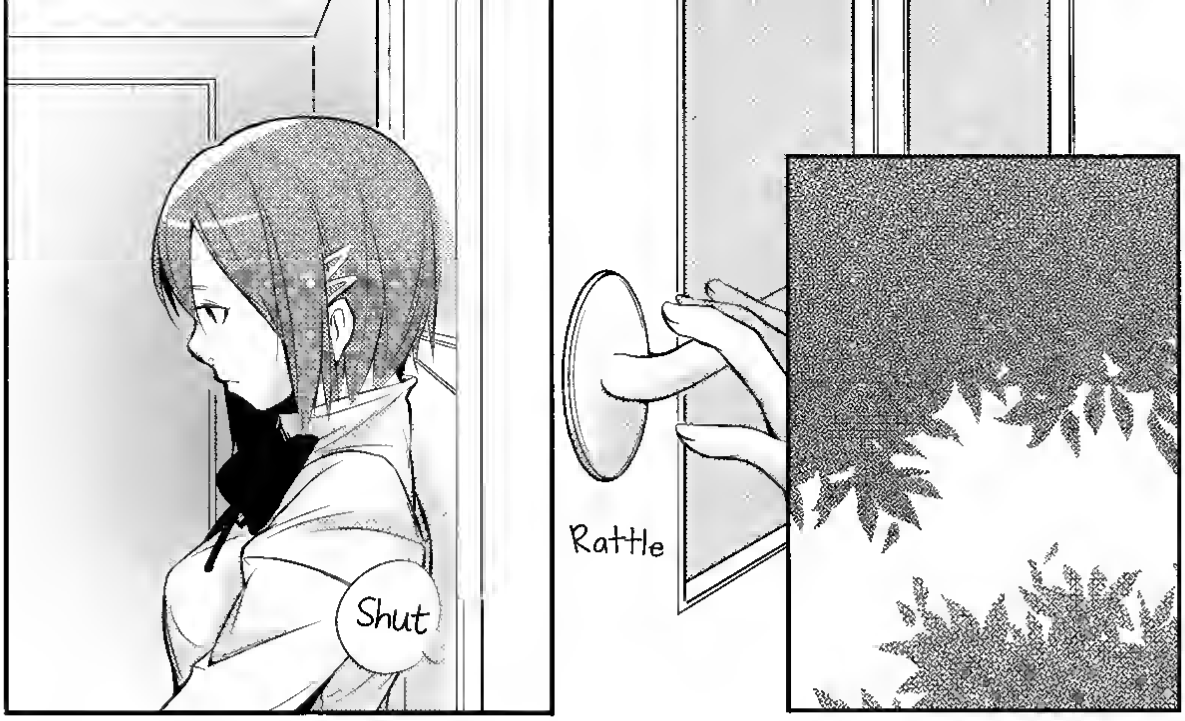
Crash

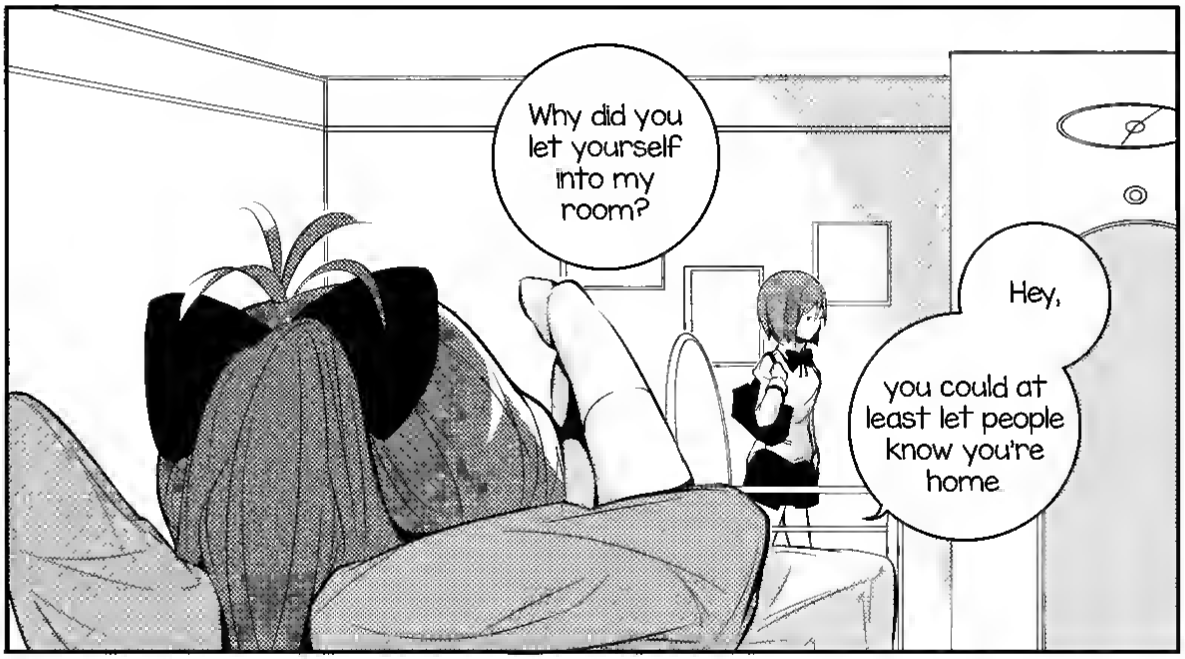


Hitomi.
You're poisoned by happiness
Am I jealous?
You have to slowly remove the poison from yourself
Otherwise you'll be paralyzed
After every-thing?
...
In this world..
how many people do you think are able to date the one they fell in love with?

You two better escape from your own world.
...
Whot's going on with me?
I'm sorry, Hitomi.
It looks like I've forgotten the port of myself
thot wos oble to occept you two being together.
Sayaka-san..



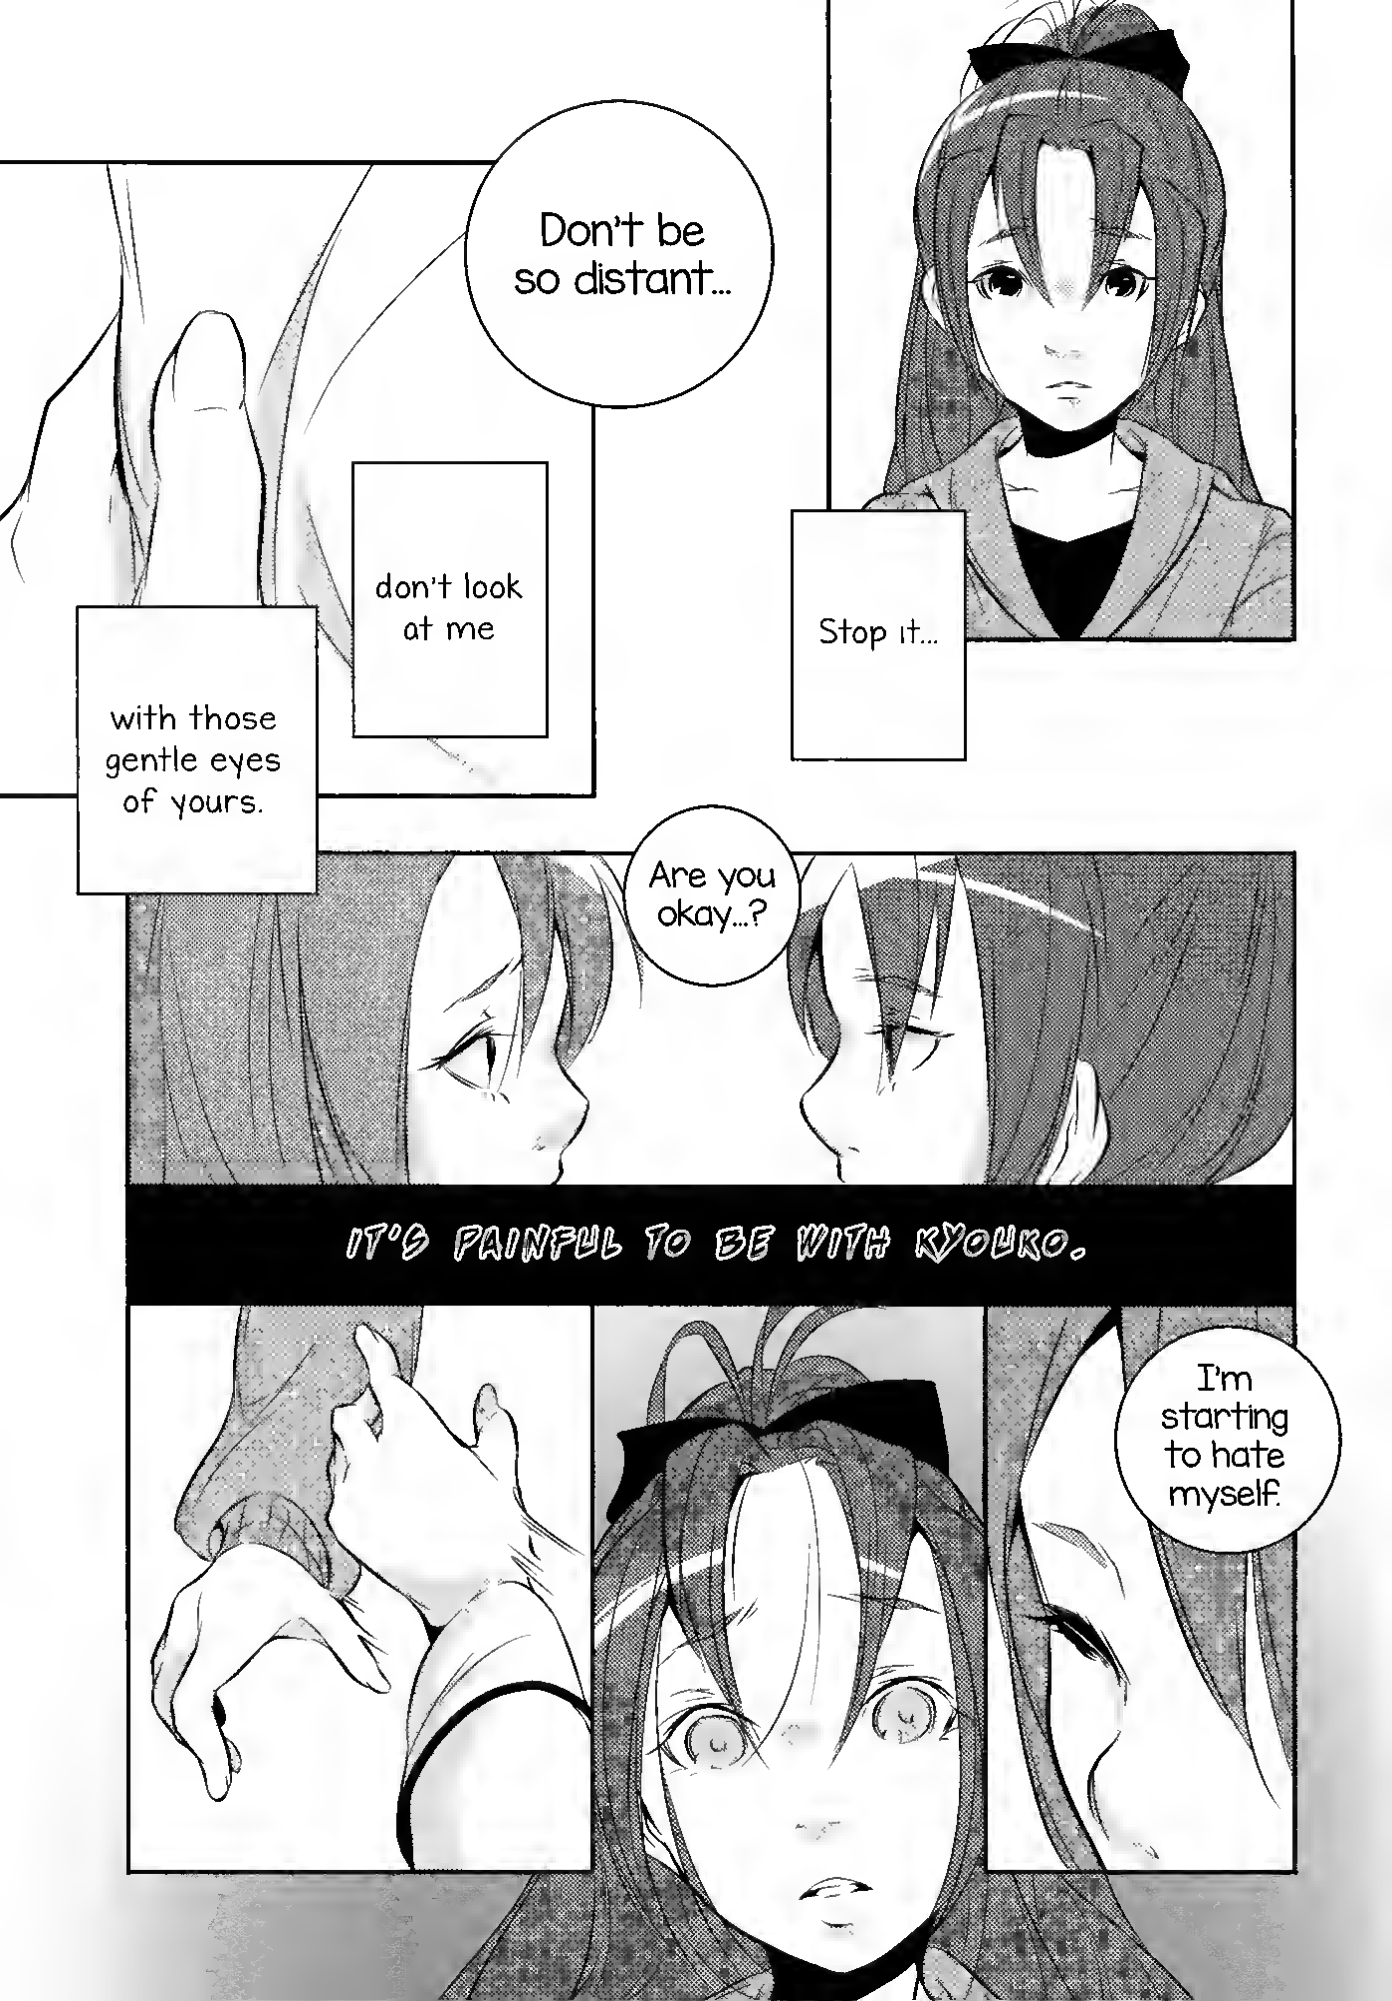
Shut
Rattle



Why did you let yourself into my room?
Hey, you could at least let people know you're home

You in a bad mood or something?
Not really.
I don't believe you.
Huh? I always hang out here

Um, Sayaka..
Hey!
...
What happened to your hand?
Don't touch me.
It has nothing to do with you, Kyouko.



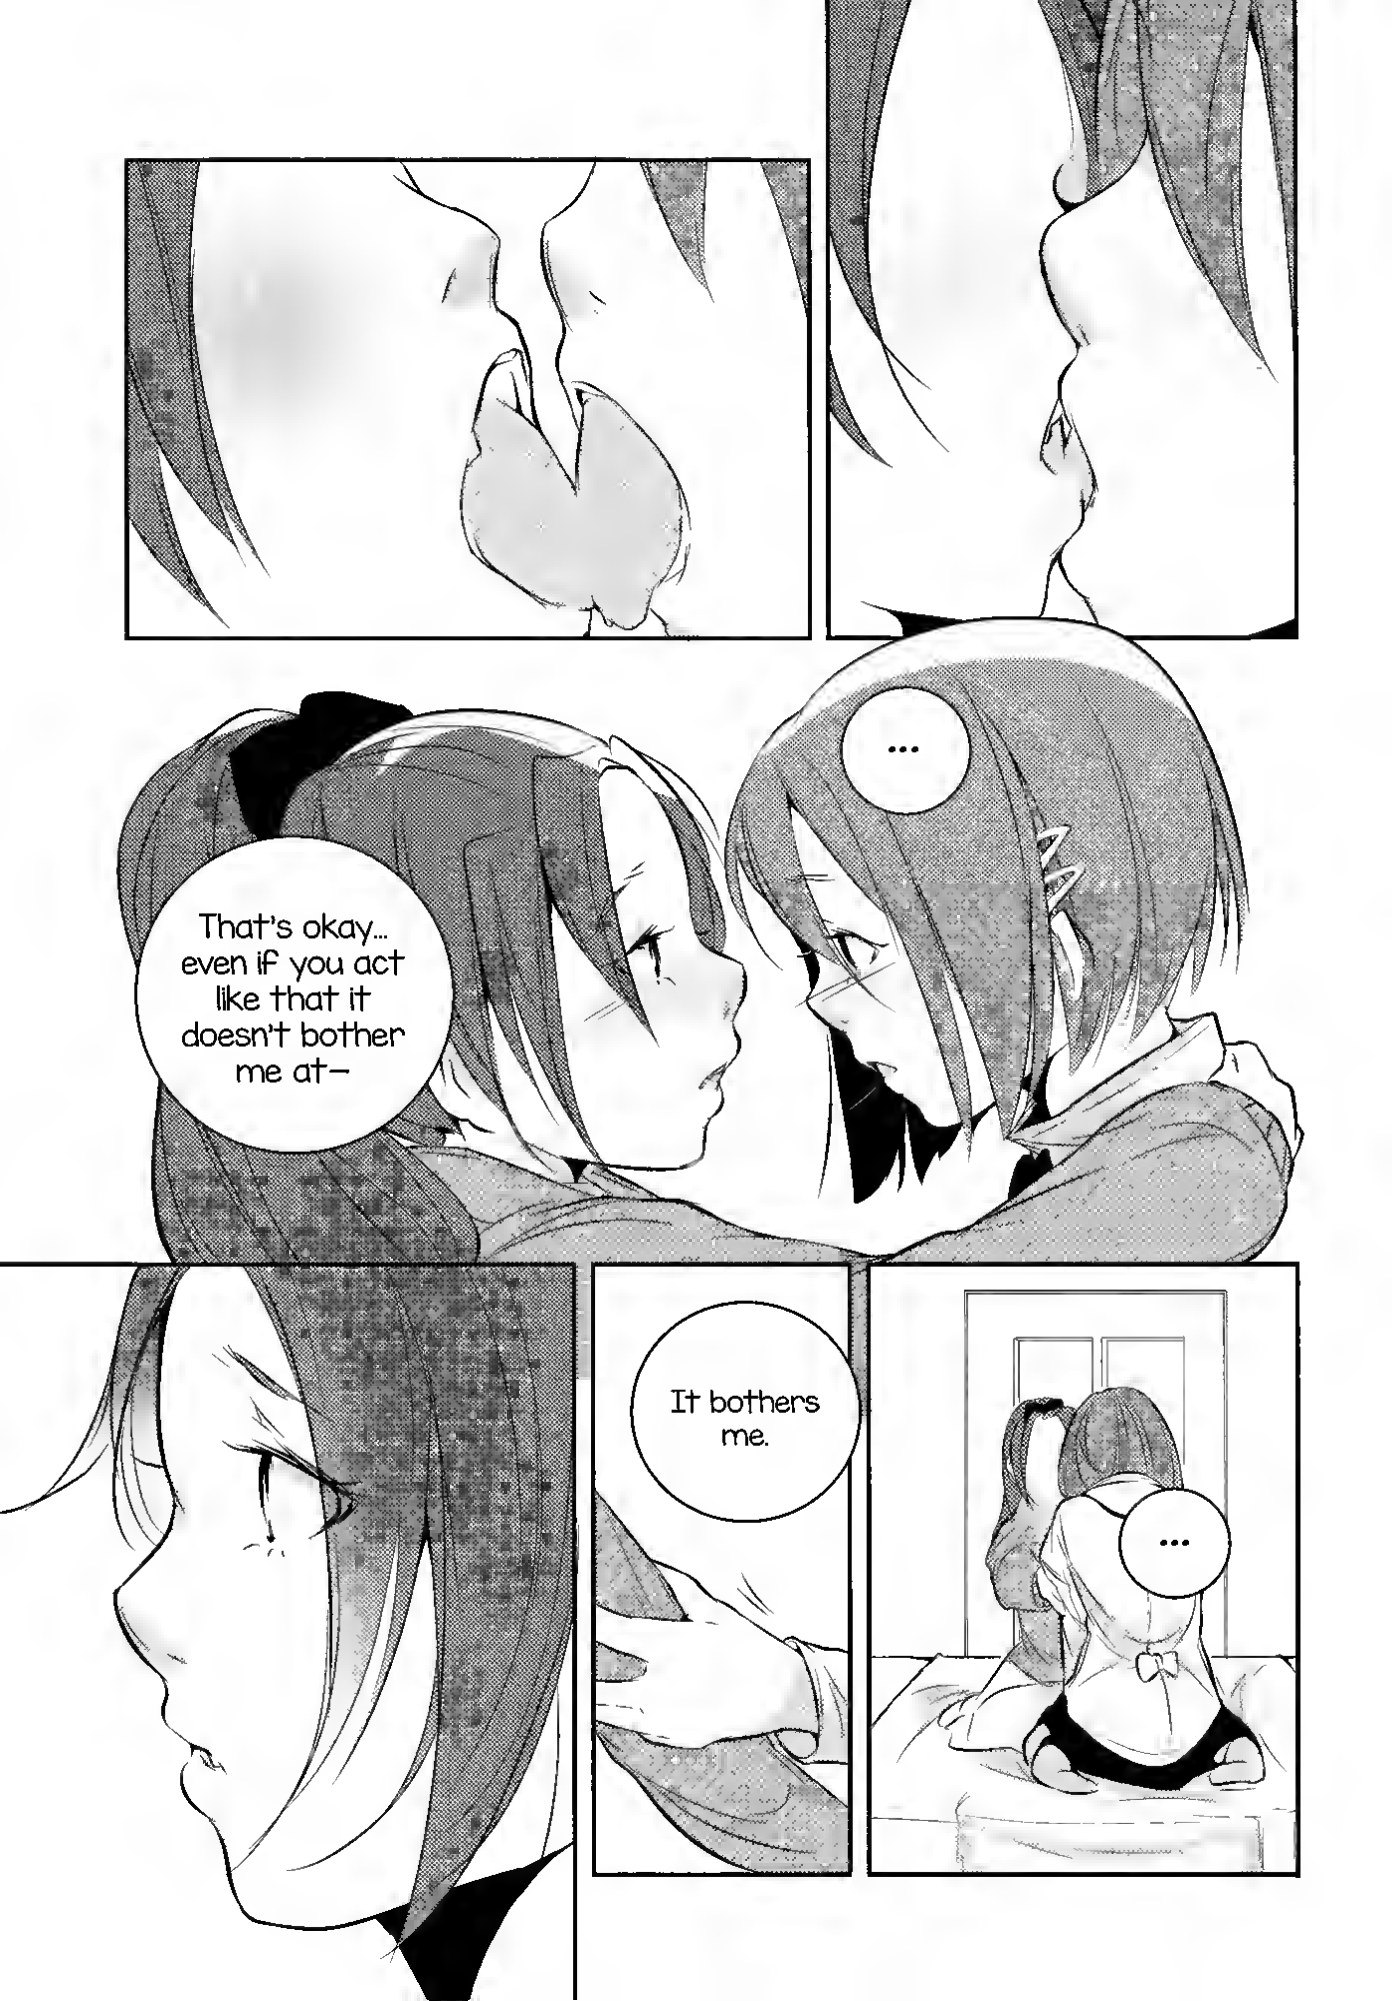
Don't be so distant...
don't look at me
with those gentle eyes of yours.
Stop it...
Are you okay...?
IT'S PAINFUL TO BE WITH KYOUKO.
I'm starting to hate myself.

I'm not
the good little girl that you think I am.
Sayaka..
Where is all this coming from? I didn't—
Wha—
I'll show you.
Fine, then.

This will be
what I was just doing with Hitomi.
That girl
she said she was feeling lonely because Kyousuke wasn't paying attention to her
Hold on, Sayaka.
And I hated her for that

...
At this point...

I took care of her.
you should just hate me.
...
And then I...



...
That's okay... even if you act like that it doesn't bother me at—
It bothers me.
...

Kyouko...
if you can accept me the way I am right now...

then I despise you.

When was it
that I started acting like this?
When was it?
Sigh
Sigh
I hurt people important to me once again...
I'm gradually losing sight of who I am.
Tap Tap

Tap
"Again"?
...

I knew it
I thought something wos strange
It wos you all along
You... you did something to me, I know it
Hehe...
You always did have that habit, though
Hehe...
...
You shouldn't place blame on others for your indiscretions
Please stop that, Miki Sayoko
Yes...

Or, hmm...
You forgot who you were all on your own.
Maybe it would be correct to say you remembered?
However...
that doesn't matter
No one will become a witch in this world
No matter how dark they become
Before they do, I'll...
A witch...?

will delete every last trace of them.
No,
my partner

All for Madoka...
